A Monthly Update From The World of Missions

Christ's
2021-22
Birthday Offering

**WHEN WE REACH OUT,
GOD REACHES IN!**

God reached down to earth with the gift of His Son. We reach out with the gift of Jesus to the world.

It isn't hard to imagine a dad forlornly considering how he will provide for his family because the COVID lockdowns eliminated his day job. It isn't hard to hear the echoes of a family crying because their home and belongings have been washed away by flooding or blown away by a hurricane. We can even sense the loneliness of a widow or orphan who is pondering

what might happen to them because there is no one to provide shelter, food, or clothing.

Would you please take a moment to consider the poor and how through Christ's Birthday Offering you can reach out to them? Psalm 41 begins, "Blessed are those who consider the poor." This is a promise to all who consider what they can do and how much good it will do. That scripture goes on to promise: "The Lord will deliver them in the day of trouble. The Lord will deliver them in the day of trouble. The Lord will deliver them in the day of trouble."

J. DAVID STEPHENS

Awakening the Church in North America challenges believers to rekindle a passion for the Holy Spirit, which will restore power to languishing ministries, and help ministers to recapture the *Like a Mighty Army* confidence that energized the church in its formative years.

NEW RELEASE!

As modern-day believers, *REVERSE* calls us to "back up" to discover a few turns we may have missed in our pursuit of authentic Christianity. It is written for those who desire to understand the gospel of Christ and pray with faith, "Thy kingdom come. Thy will be done" (Matt. 6:10).

2014 Ultra Cameo First Releases

**SATURDAY
MAY 3
CUT-OFF!**

The U. S. Mint will Release the New 2014 Proof 1oz. Buffalo Gold Coin May 8! Struck at West Point (2014W), home of America's most prestigious gold mining facility. This new coin celebrates 101 years since the first United States Buffalo coin was struck in 1913.

The new 2014 W proof coin is the 100 (2004 - 2014) coin of the series and commemorates the 101st year of the original design. The coin itself is America's only 999.9 fine burnished gold piece and even though not advertised as a limited edition coin, the quantities produced and for collectors it has been a massive number compared to other bullion gold coins. The dates of 2008, 2012, and 2013 were at under 25,000 mintage and for collectors it has been a safe haven of value. The fact that each coin is exactly 1.46 and 2014 was gold as a proof coin has created one of the most popular designs in U. S. Mint history. Coinage with gold bullion will about its 2013 issue, the market demand seems ready for an expedited outpouring of collector and dealer interest.

2014-W PR70 1st Releases (NGC) \$2,095 (2) 4622 (for 10 payments of \$210)
2014-W PR70 1st Strike (PCGS) \$2,195 (2) 4623 (for 10 payments of \$220)

First time ever! A 1" Day NGC gold coin is available to our clients and readers of the Coin Wholesaler. A brand new \$100 coin, 1 oz. of .9999 Fine Gold and a U. S. Mint total mintage of only 50,000 coins.

Struck at West Point Mint, home of America's most prestigious gold mining facility, this new design commemorates America's proud nation's heritage and the nation's future at their very best. Coming only one day since of 2010 the 24 Karat Gold, these historic West Point \$100 fine coins promise to be among the most recognized and sought after of any of the last 100 years. Each coin has a "W" mint mark and a reeded edge. The diameter is 34 mm and a thicker than a Buffalo or American eagle. This coin is the first time ever for a 2.0000 fine gold coin and the second time as a high relief (2008 was the first year).

The coins we offer are something new for our readers, for the first time a 1" Day NGC labeled coin will be available to our readers and dealers. Population estimates of 1" Day coins are estimated to be approximately 900 pieces and the NGC label will clearly spell out that indeed the coin is a 1" Day issue.
